The Auditor reports that for want of funds, it is not possible to do anything from the Zedatve Chatram, but recommends the grant of a seer of rice with condiments ^{per diem} from the Chatram at Kherya where a saving of Rs 3-8-0 ^{per mensem} is being effected. Sir,

Adverting to your official memorandum No. 5629 dated 30th May 1907 and subsequent reminders ending with your No. $\frac{1938}{m.7.41-06}$ dated 3rd February 1909 calling for the submission of a report on the petition (herewith retransmitted) of Gowramma of Tippur village in the Yedakere Taluk praying for rice allowance, I have the honor to state that the petitioner is reported to be blind, helpless, and a deserving object of charity.

The Amildar States that it is not possible to grant the allowance from the Chattram at Byedahre and the Sub Divisional officer recommends that one Seer of rice with Condiments may be granted to the petitioner from the Chattram at Bhenya

As it is reported that on an average Rs 3-8-0 are saved every month in the Chattram at Bhenya and as the petitioner is reported to be a helpless widow deserving of charity sanction may, as a special case, be accorded to the Sub Divisional officer's recommendation

I have the honor to be,

Sir,

Your most obedient servant
